Author:

Director/s:

Tutor:

Abstract

The abstract is a very brief summary (up to 250 words) of the TFG contents. It should provide sufficient detail that someone unfamiliar with the project is able to understand the general content on the basis of the abstract alone and should therefore be written for a general audience.

TFG Content recommendations

Structure:

The contents sections are described in "Projects" course.

According to the TFG typology, follow the Director/s and Tutor specific indications

Extension:

TFG document of around 50 pages

You can add some annexes without extension limit

Format: Arial narrow 12pt
